

DARK AWAKENINGS

RULES UPDATES AND REVISIONS 2

New Rules

Spells

Drain Life – Reduces your death clock by 60 seconds and causes 10 seconds of Agony. Your death clock cannot be reduced lower than 60 seconds. May be resisted or countered as a 3rd order spell, unless specified otherwise.

Corruption – Fall to the ground unconscious and await referee input. Cannot be counter spelled or resisted.

Effects

Dimension Lock - An area effect that prevents any form of dimensional travel into the Shadow or Elemental Realms.

Knockdown – if you are hit with a knockdown, you must safely fall to the ground and remain there for 3 seconds

Revised Rules

Rogue Skills

Backstab – Backstab can no longer be used an unlimited number of times. It may now only be used twice per encounter for Rogue 2 and four times per encounter for Rogue 3.

Disease

Diseases can take many forms in game. If you are infected by a disease in combat, you will be provided with a laminated card detailing the effects of the disease and how it may be treated. Otherwise, you will be briefed as part of your downtime returns.
